Re: Harrell v. DOCCS, et al., 15 Civ. 7065 (RA)

Hon. Ronnie Abrams

10/2/2020

Dear Judge Abrams:

This letter is being jointly submitted by the parties to respectfully request a sixty-day extension of the dates in the Court's July 21, 2020 Order (ECF No. 234). As discussed in the parties' previous letters, a settlement was reached in the related action brought by Plaintiff in the New York State Court of Claims. Plaintiff's counsel obtained a decree from New York Surrogate's Court necessary to execute the settlement on July 14, 2020. Since then, a Stipulation of Settlement was executed in the Court of Claims action by Plaintiff and the Claims Bureau of this Office on behalf of the State of New York. However, additional time is needed in order to finalize the payment of the structured settlement in that case. This involves coordinating with an annuity company and the NYS Comptroller's Office, which is taking longer than anticipated. Once that process is completed, the parties in this action will execute a Stipulation of Dismissal of the federal matter, pursuant to Rule 41(a) of the Federal Rules of Civil Procedure. Therefore, the parties in this action jointly request a sixty-day adjournment of the initial status conference currently scheduled for 10:45 a.m. on October 9, 2020, as well as the October 2, 2020 deadline to submit a joint letter and proposed case management plan.

Thank you for your consideration of this application.

Respectfully submitted,
/s/ Brendan M. Horan
